Grandparents of Kindergarten and First Grade students were celebrated during Grandparents Day on October 17. Grandparents were treated to a patriotic concert, then visited classrooms where they shared cookies with their grandchildren.

Millcreek Elementary students participated in the annual Fall Festival on October 26. The rain didn't dampen spirits even though activities had to be moved indoors. Students rotated through different activities, including: performance by Miller High School drama club, musical chairs, frisbee toss, football toss, STEM activity, popcorn relay, Story time, and Rock, Paper, Scissors. Each student also had their picture taken and received a frame to commemorate this fun event.

First grade teachers and students celebrated the 50th day of school on October 30th by having a 50s throwback day. Teachers and students dressed like they were in the 50s, learned how to hand jive, and even enjoyed ice cream floats!

Students in grades 3 through 6 were recognized for making the honor roll for the 1st 9-weeks by participating in a pizza party on October 31.

On October 18th the elementary Cross Categorical Class visited Cherry's Orchard outside of Zanesville. They participated in activities such as coloring, sorting by apples, the history of Johnny Applesseed, and the process of harvesting apples. The students were permitted to pick their own apples and take a bag home with them. The owners of the orchard were amazing with our students!

On October 23rd, the elementary Cross Categorical Class visited Walker's Pumpkin Farm. The owner took the students on a hayride to a pumpkin patch to pick their own pumpkins. This is the 3rd year we have visited Walker's and it is always a pleasant trip.

On October 26, The High School Cross Categorical Class went on a field trip to the Lancaster Cinemark to see the Goosebumps movie. Students have been reading different styles of Goosebumps books. Students then used the movie to compare and contrast a written story to its film. On our trip, students also got to stop and eat at Steak 'N Shake where they able to experience the life skill of ordering from the menu and tipping their waitress. Students were in charge of managing their own money and keeping a running record of what they spent and how much they had left. The students represented our school in the community very well and the field trip was a success for everyone involved. We should all be proud of these young men and women.
