FEBRUARY E-EDITION OF THE PURPLE PRESS

SCOTT CHRISTMAN, SUPERINTENDENT

MILLER MODEL UN

Angie Plant

The Miller Model UN team traveled to Athens for the Southeast Ohio Model UN General Assembly on December 13, 2019. The team consisted of students in grades 6-8. Model UN is an opportunity for students to choose countries to represent, identify issues within their country and propose solutions in a written resolution. The students also created cultural presentations about their countries. Our students were successful with the passage of all of their resolutions. Our Denmark Delegation was awarded Outstanding Nation in their council room! Torin Hinkle represented our school as an officer, whose responsibility is running council rooms and teaching the delegates debate skills.

Members of this year's team were:

- Maddox Bolyard, Joseph Blaney, Nick Thompson, and Wyatt Porter representing Turkmenistan
- Aiden Rider, Frazier Adams, Jarron Baughman, and Tyler Light representing Oman
- Hannah Stover and Cami O'Neil representing Sweden
- Abigail Phillips, Shelby Stover, and Ethan Lahmers representing Denmark
- Kiara Perrin and Chloe King representing Honduras.

The advisors for Model UN are Dr. Kim Jones and Angela Plant.

NEWS FROM SPECIAL EDUCATION

Jessica Eckle

Hello Falcons! Since Winter Break, Miss Eckle's class has been focused on money math. Students are learning to add up various amounts of money as well as to make change. Students will get to put their skills to the test on an end of unit field trip. This field trip will require them to purchase items with the appropriate amount of money and to count their change. The students will then go out to eat and be required to calculate a reasonable tip for their meal. The students not only get a chance to show off their skills but to pick their own rewards in doing so. We look forward to even more fun interactive lessons ahead!
